

# Jute Twines

**James Lever 1856 Ltd**  
**Manufacturers of Ropes, Twines & Cords**

[www.jameslever.co.uk](http://www.jameslever.co.uk)

**James Lever** are UK manufacturers and suppliers of a comprehensive range of high quality coloured jute crafting twines under their brand Everlasto. These quality crafting twines are manufactured in natural jute in a range of colours and are ideal for packaging and decorative craft uses.

Our quality jute twines are 100% natural and biodegradable. The craft twines come as either a ball or on a spool, labelled Everlasto brand and shrink wrapped. James Lever can also manufacture/package twines to the specific requirements of customers including own brand labelling.
